## FOREWORD

An ever-advancing, ever-expanding institution—these words best describe Cathedral Prep. In the year 1964-65 we have observed the building of a new wing, and the expenditure of over 25,000 dollars on text books alone. Such dynamic progress characterizes the institution in which we have experienced what may be the most meaningful four years of our formal education.

In these years we have witnessed the emergence of the maturing student leaders who will be the effective adult leaders of tomorrow.

As we take our places in society, may we typify the inspiring results of dynamic education and religious orientation. May Prep be as proud of us as we are of Prep.

## ARCHBISHOP GANNON OUR FOUNDER

Realizing the exigency of a college preparatory school for the Catholic young men, His Excellency, Most Reverend John Mark Gannon, Archbishop—Bishop of Erie, established Cathedral Prep in 1921. Archbishop Gannon, our zealous and proficient example, has provided for the school's development in both academics and athletics. He has also expanded the school to accommodate the growing number of students, now totaling over 1250. He appropriated funds for this reason in 1944, 1955, and presently in 1964.

That Cathedral Prep has duly been the recipient of numerous recognitions and accolades—as well as being reputed and acknowledged as one of the best secondary schools in the state, is in no small part because of the efforts of our indefatigable founder. Unequivocally it is a profound honor to have the opportunity to attend such a prominent and eminent school. Indeed we owe incommensurable gratitude to Archbishop John Mark Gannon.

Archbishop Gannon's intense interest in all Prep students is well portrayed by the many informal chats in which he engages with them. Our founder is a common sight throughout the school during the after-school hours.

There are few students who leave Prep without having had the opportunity to meet their bishop, for the Archbishop is most willing to share his great wealth of knowledge with his Prep students. This is only one example of Archbishop Gannon's continued interest in the school which he founded 44 years ago.

## RELIGIOUS ACTIVITIES

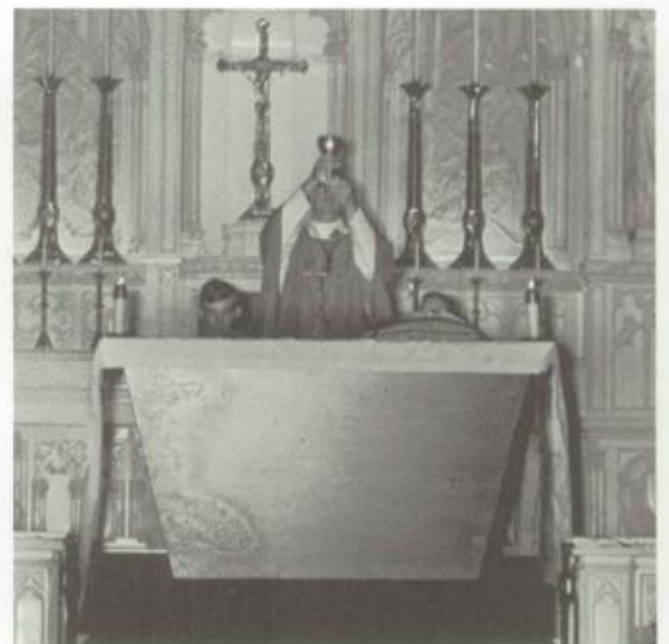

Father Joseph Petulla addresses the student body on the practical application of the gospel in our daily lives. To participate fully in the community Mass, which has been recently initiated, we must undoubtedly learn this lesson of life.

Student prepares to enter the confessional.

absent when the picture was taken was Rev. Eldon Somers.

Rev. Richard Stack, Rev. Richard Sullivan, and  
Rev. Edward Zeitler.

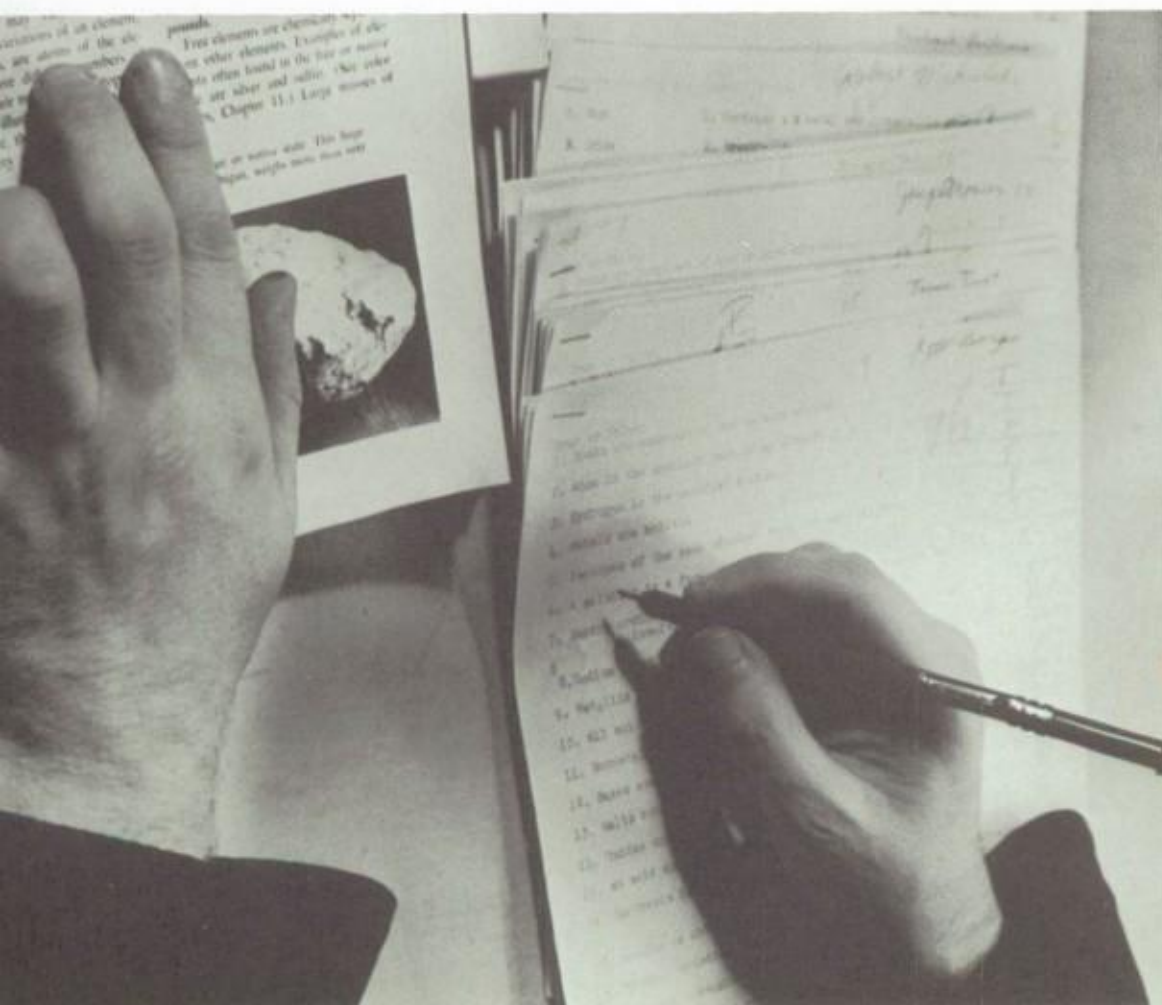

# ADMINISTRATION AND FACULTY

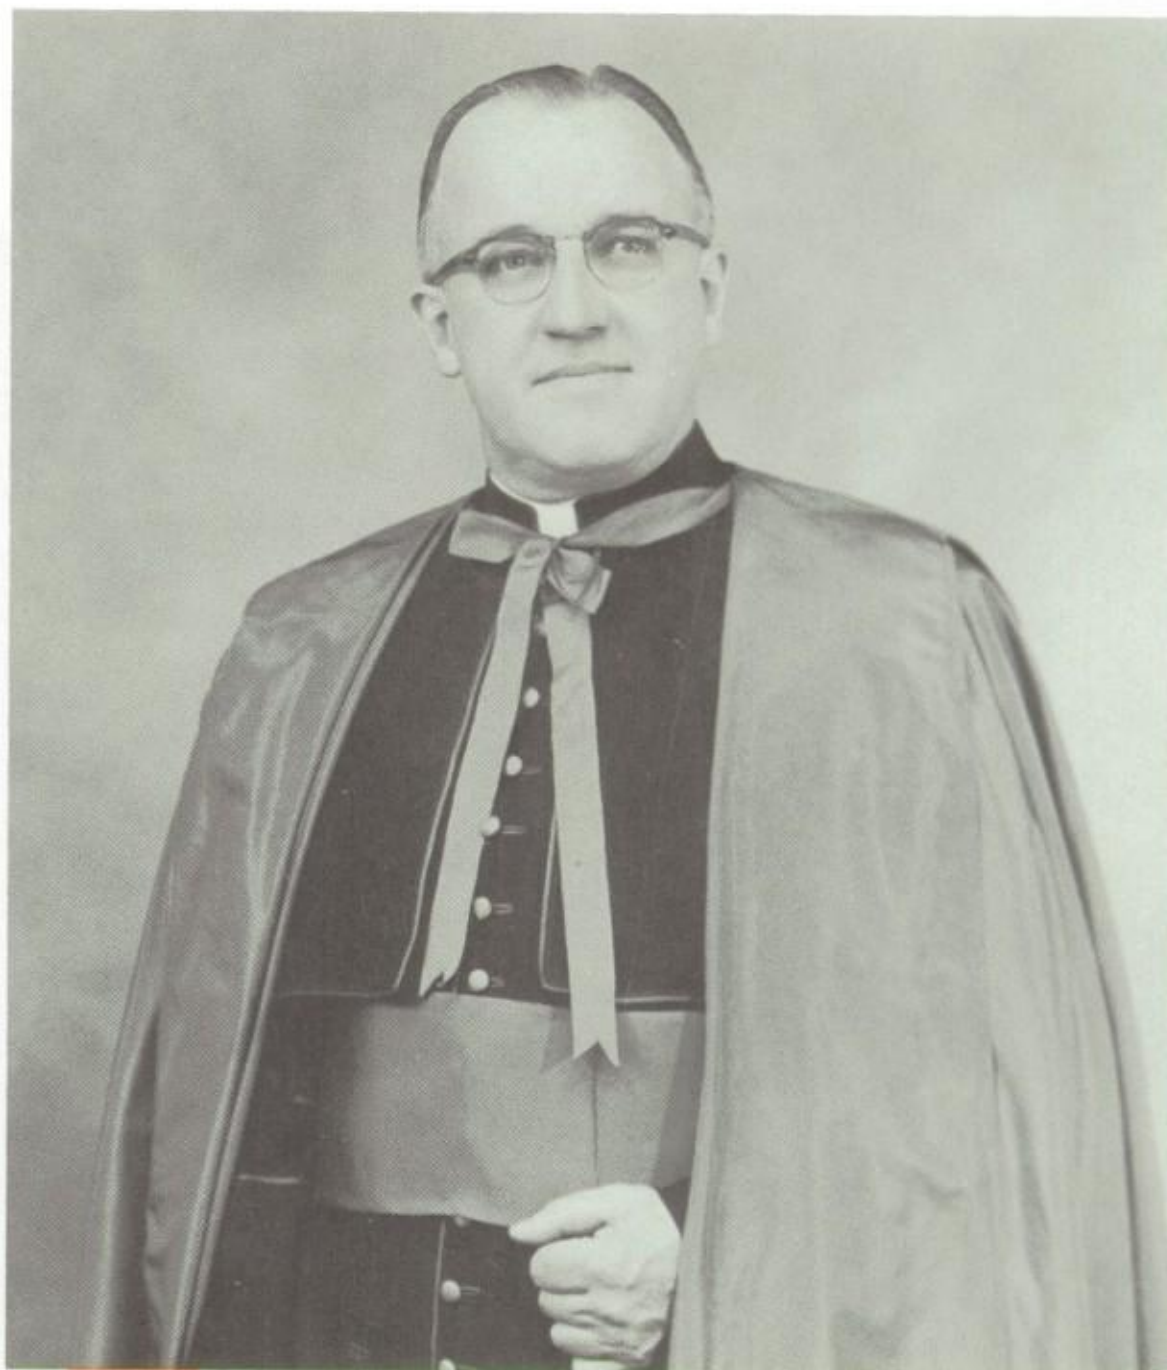

Monsignor Robert B. McDonald has been the guiding light of Cathedral Prep for the past 21 years. The executive leadership of our headmaster has enabled Cathedral Prep to build an outstanding record of both academic and athletic excellence.

Since Monsignor's appointment as headmaster in 1944, the school has come out of the initial quarters in the basement of St. Peter's Cathedral and has been extended to its present proportions by the construction of the main building, and the addition wings, one in 1955, and the one presently being completed.

This progressive physical expansion has been matched by equally outstanding advancement in educational principles, teachers, textbooks, and classroom facilities.

May Monsignor McDonald and his administration continue to mold the future by educating the leaders of the future.

Monsignor checks the progress of the new wing.

# FORENSICS

A fundamental and elemental portion of Prep's co-curricular activities is the Forensic and debate department. Operating in close conjunction with the individual English classes, student speakers and debaters definitely realize the incomparable value of the development of poise, articulation, and cogency.

The speech moderators, Fr. G. Matthew Daly and Father Joseph Finucane, direct competently and saliently the long hours of preparation for competition with other high schools. The victor in the diocesan and district finals will advance to the National Catholic Forensic League Tournament.

The Debate Club is supervised by Father Joseph Petulla, as the Forensic League it consists of area competition. This activity also requires practice, practice and more practice to attain the superiority that we now duly maintain.

The value of these activities cannot be over-emphasized. The time involved could not be more rewarding. Nor might their efficacy be less certain.

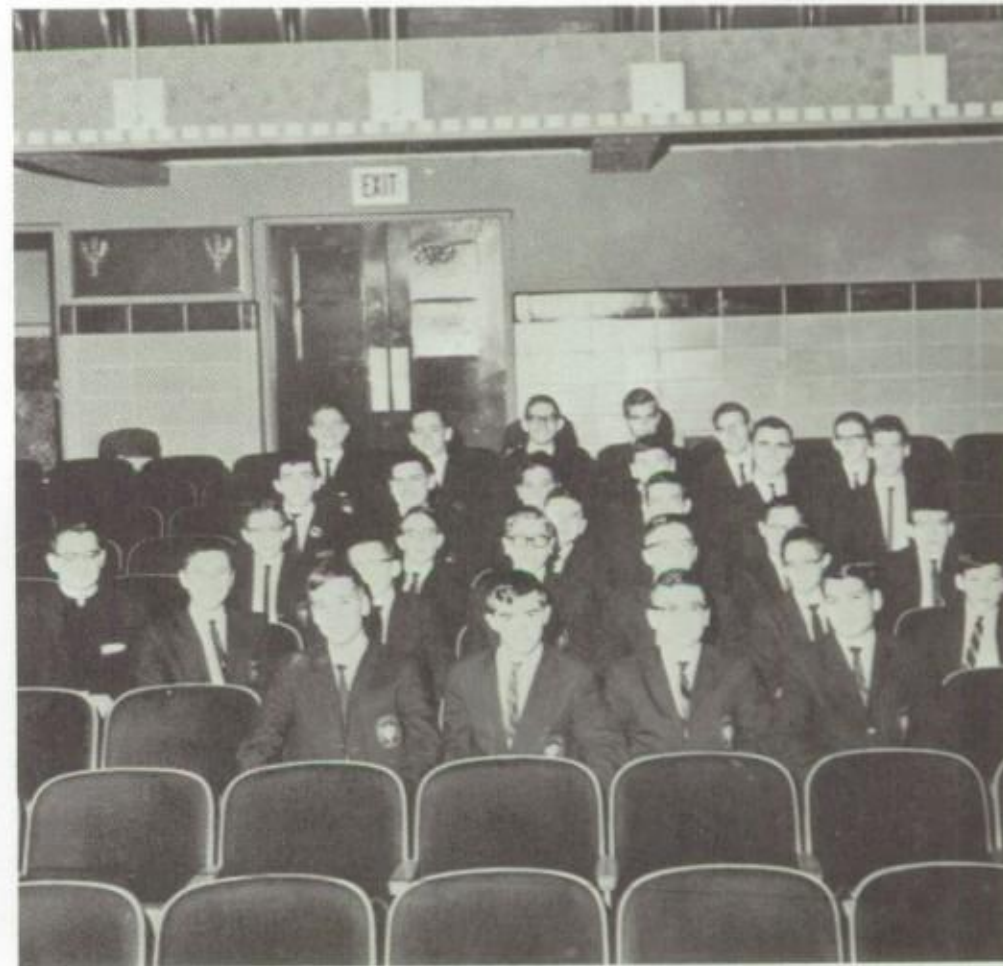

Justly can Cathedral Prep be proud and honored to have these students and moderators represent us and our school.

The Senior Varsity Debators: l to r, R. Milewski, C. Trabol, T. Brockey, G. Bosner, D. VanAmburg, H. Borkowski, and R. Hahn.

## BAND

A criterion of any school is its band, and at Cathedral Prep is a well-known, high-quality group which reflects its training and practice throughout the school year.

A familiar and welcome sight is the band, led by the drum major, as it marches onto the football field to put on an excellent halftime show. It is now that the many hours of drill formation practice reap each marcher a sense of satisfaction.

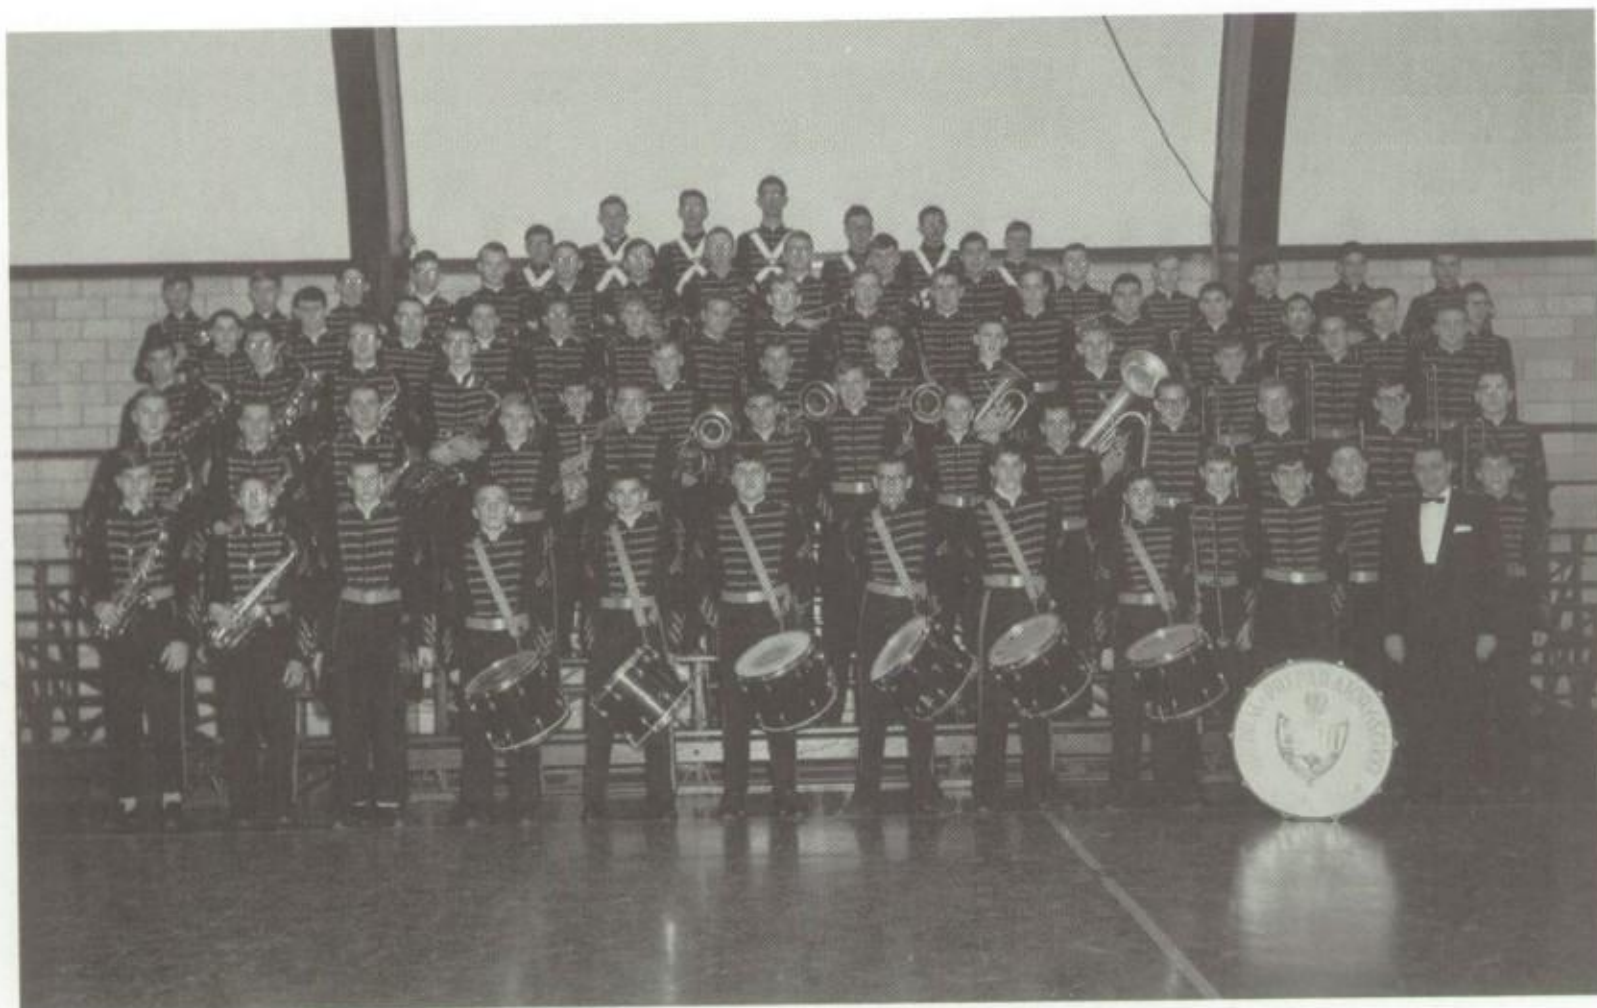

Of course every band needs a band-master, and Prep has one to be very proud of. Mr. Anthony Savelli fills this role with exceptional efficiency as he teaches, composes, and organizes all of the students into a single harmonizing unit. This can be vouched for by anyone who attends any school function and hears the band play.

Besides providing the school with a musical association, the band gives students a chance to put to use their natural abilities while benefiting the entire student body.

With its excellent supervision and quality, the band's fine tradition should remain at Prep for years to come.

Drum Major Louis Colecchia is flanked by color guard members: D. Smith, L. Kraus, P. Flanagan, J. LeFaiver, J. Masi, and B. Williams.

Drummers R. Valenti, M. Murphy, L. Sperduto, P. Hammer, M. Schreifer, M. Cafini, C. Gannon, and K. Thornton provide beat for the band's musical scores.

A sound part of any band is its clarinet section.

Band members playing the big horns are: E. Russo, D. Geary, T. Wickham, Dan Vitelli, and G. Rodney.

# EXPLORER

Climaxing the publications of the school year is the literary magazine, the *Explorer*, which comes out sometime in May. Student writings such as short stories, are submitted by the journalism class students and published in the magazine. The magazine is entered into a number of journalistic contests.

Students with imagination and the ability to write for the *Explorer* are given the opportunity to better themselves and prepare for a future literary career.

Circulation and publicity editors Jerry Pohl and Fred Veith compare ads in previous *Explorers*.

Examining rules of magazine writing, Chris Cross and Don Olowinski act as associate editors.

THE 1965 LITERULAE STAFF—F. Veith, J. Sparaga, L. Huber, J. Pohl, W. Horvath, J. Sparaga, D. Girard, J. Meister, J. Shalkham.

## LITERULAE

Published by the journalism staff, the Prep yearbook, the *Literulae*, contains an interesting record of the school year. The yearbook of 1965 was under the capable editorship of Leonard Huber. He was assisted by James Shalkham and Jerome Pohl.

Various department editors were John Meister, John Sparaga, James Sparaga, Fred Veith and William Horvath.

Designing the yearbook are J. Sabol and C. Fedorowicz, with J. Madura.

Fr. Miller and Dave Girard talk over pictures in the *Literulae*.

## RAMBLER

Our school newspaper, the *RAMBLER*, voices the opinions and ideas of the student body. It presents the readers with accurate news of important events, sports, social highlights, and other activities occurring around the school. Its editorials express the actual ideas of the students, since student editors write each article and editorial with the training they have received through classes in journalism.

Under the supervision of Fr. Charles Skinner, the *RAMBLER* has achieved a high standing in national journalistic ratings.

Executive editor of this year's editions was Brian Kinal. Associate editors were Fred Wuen-schel and Frank Krol. Serving as assistant editors were James Wienczkowski, Don Olowinski, and David Van Amburg. Business Manager was Christopher Cross.

Reviewing his page with his junior reporters, Don Olowinski, Sports Editor, comments on their work. From left—Lawrence Bolla, Mark Rowland, John Lindenberger, John Jackson, and Michael Steenberge.

## QUARTER SESSIONS

To honor the academic achievements of Prep students throughout the year, the student body participates in a Quarter Sessions program three times a year. These Quarter Sessions have become a trademark of excellence for the school.

Originating from the Parliamentary Quarter Sessions in England, these sessions distinguish Cathedral Prep as a highly restricted institution, placing excellence in scholastic achievement over all other forms of activity. Without Quarter Sessions the school would fail in its fundamental duty as a teaching institution.

Awards are not only given for school grades, but also for students' bringing distinction to the school in other curricular activities. Excelling students in forensics, school clubs, and national examinations are presented with awards. These awards are usually handled by Archbishop Gannon, although other distinguished guests are invited to participate in the ceremonies.

Newly elected members of the National Honor Society take the oath at the years first Quarter Sessions.

Fr. Karg and Fr. Biebel direct the chorus at quarter sessions.

Judge Robert B. Dwyer was the honored guest at the first Quarter Sessions.

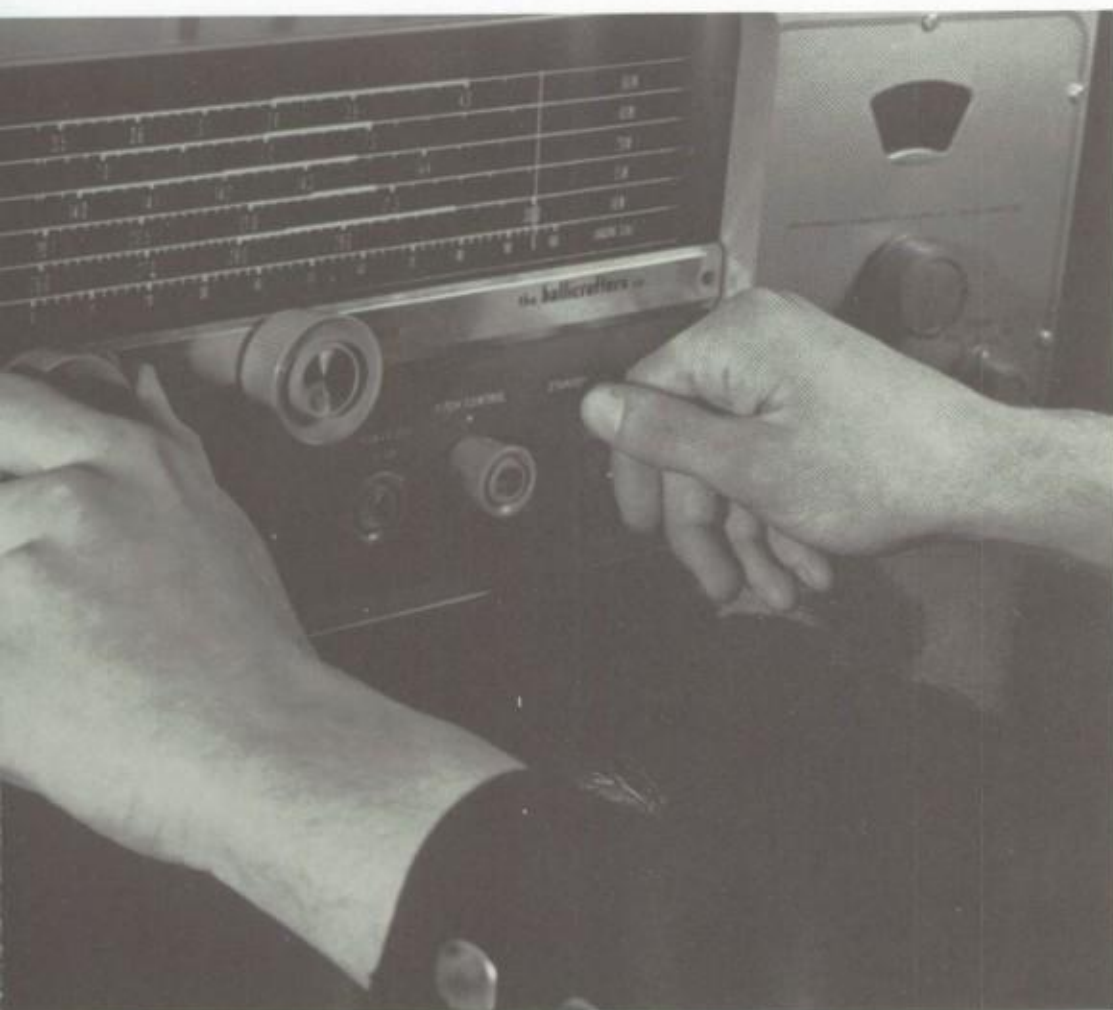

Donald Olowinski speaks at Quarter Sessions.

# EXTRA CURRICULAR ACTIVITIES

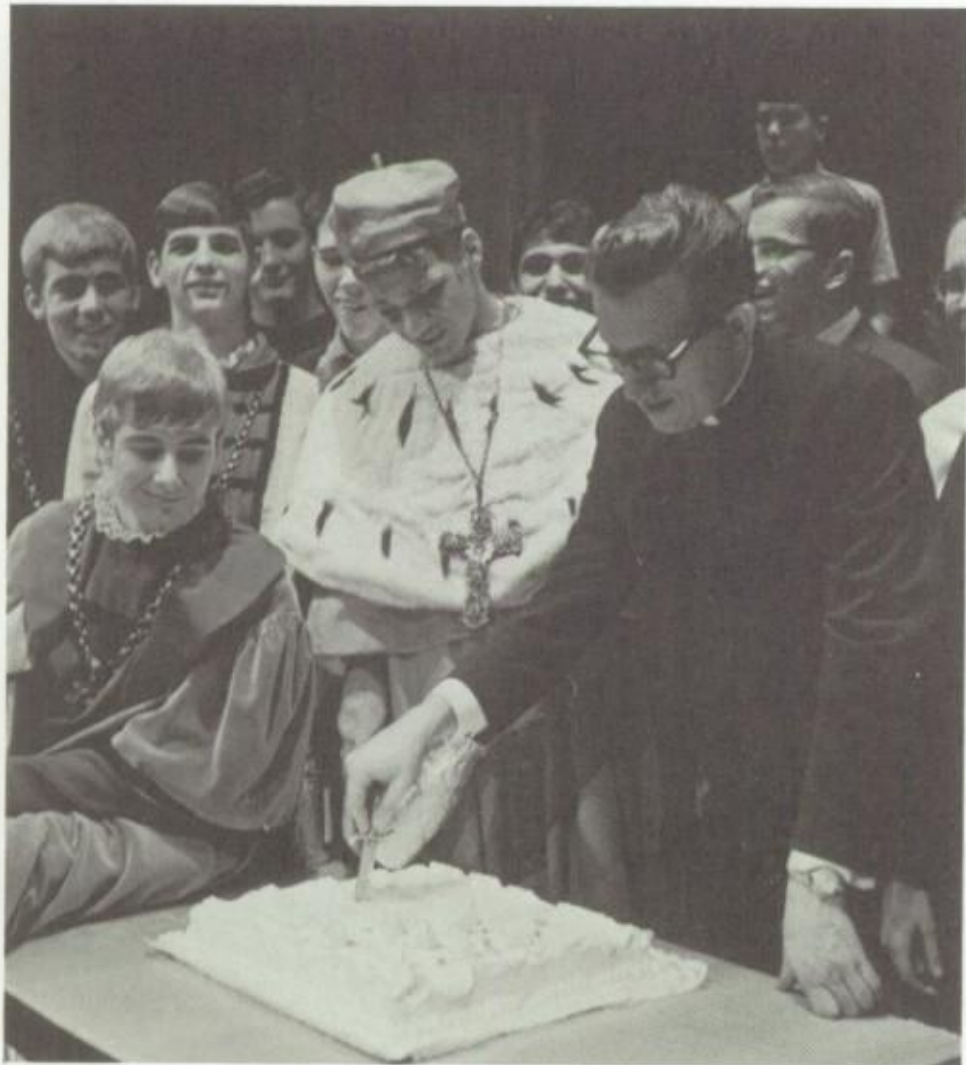

## SENIOR CLASS PLAY

The Senior Class Play of the Class of 1965 proved to be a new milestone of drama at Prep. "A Man For All Seasons", a recent success on Broadway, provided the actors with a plot and script which required a great amount of application and practice. A production of this magnitude has seldom seen success when presented by an amateur high school group.

However, under the direction of Fr. G. Matthew Daly, and with the capable assistance of Frs. Finucane, Donovan, and Murray, the presentation emerged extremely successful, and was appreciated by all who viewed it.

The play took two months of preparation, and demanded special attention to costume, stage, and settings. Fr. Daly acquired the original sound track of the Broadway play, and achieved unique originality in designing the sets and props.

The Senior Play provides students with an excellent opportunity to develop acting skills, and presents everyone with an enjoyable evening.

Fr. Daly and play participants enjoy themselves after the performance.

The entire cast poses after a well presented performance.

## CLUBS

Students of Cathedral Prep are offered a various array of extra-curricular clubs. These clubs range from a Chess Club to a Bowling League, and offer something for anyone's interests.

The clubs are moderated by different members of the faculty, who watch with scrutiny their advancements and achievements.

Surely, a school without extra-curricular activities is a dull school, hence, in order to give students a more diversified education, Cathedral Prep has many clubs.

## STUDENT COUNCIL

Providing an excellent link between the administration and the student body is the Student Council. Besides helping in solving many school problems, the 1964-65 Prep Student Council sponsored various activities.

Dances, rallies, Student Council-faculty basketball game, and a branch of the National Honor Society were just a few of this year's council's activities.

Officers for this year were David Figurski, president; David Wenrick, vice-president; Joseph Mehl, secretary; and Thomas Wenrick, treasurer.

Taking the oath of office of the Student Council are, (l to r), Tom Wenrick, Joe Mehl, Dave Wenrick, and Dave Figurski.

Jim Shalkham and his date enjoy themselves at a Student Council dance.

## VARIETY SHOW

Closing this year's stage productions, the Variety Show, *Too Hot For Harry*, gave every one a chance to display his talents and enjoy himself at the same time.

The musical comedy, which held the largest casting of players in many years at Prep, was a great success, as it ran for the four nights of March 23, 24, 25, and 26.

Special credit for the performance must go to Fr. Beibel and Fr. Karg, who conducted the choral groups, Mr. Savelli, orchestra, Fr. Friedrichs, stage management, Fr. Murray, and Fr. Finucane, writing, and Fr. Daly, producer-director.

The plot of the show this year was hellish—it took place in hell, the time was eternity, and it followed attempts of training devils from beginning to end. It was acclaimed by all as a masterpiece in comical presentation.

The faculty advisors to the show: Fr. Murray, Fr. Karg, Mr. Savelli, Fr. Finucane, Fr. Biebel, Fr. Friedrichs.

Ron Roach listens as M. (Satan) Pistorio gives assignments to D. Teubert.

Harry (T. Calabrese), is awakened by Satan.

Mr. Savelli prepares the band for the show in an after school practice.

# ALUMNI

The Cathedral Prep Alumni Association, moderated by Richard May, is unequivocally interested in the promotion and modernization of their alma mater in both athletics and scholarship and is extremely loyal and proud of this institution. The whole school benefits from the energetic and arduous support of the Alumni, existing since 1925. However, these civic leaders augment the reputation and prestige of Prep, as well as materially assisting the school in financial needs. This association, stressing Christian leadership, should duly receive prodigious recognition of its outstanding service.

Officers of The Alumni: Fr. Poux, Richard May, William Flaherty, and William Liebel.

Pat Kloecker, '64, distributes programs with his date at the Alumni dance.

Members of the board of the Alumni: *Row 1:* W. Flaherty, R. May, W. Liebel. *Row 2:* G. Stack, D. Fessler, Fr. Poux, B. Wilwohl, J. Dahlkemper.

## MOMS AND DADS

The parents of Cathedral Prep students support the school through the Moms' and Dads' Association. They raise money to aid the improvement of the school and other necessary finances, basically through their spring and fall card parties. This exigent organization has shown an enthusiasm and zeal beyond their primary function.

This year the association is under the leadership of Dr. Anthony Kaminsky, M.D., the president. Assisting him are Mr. Charles W. Trabold, *Vice-President*; Mr. Edward J. Downey, *Treasurer*; and Mrs. John M. Larsen, *Secretary*. Mrs. Walter Heuer and Mrs. Robert Eichenlaub are in charge of publicity. The registration committee includes Mrs. Benedict Sundy, *Chairman*, Mrs. Edward Gorniak, Mrs. Richard Haft, Mrs. James Gray, and Mrs. Walter Grabinski.

The style show proved a success at the Moms and Dads Christmas Party.

Officers pose with Msgr. McDonald in the library: Mrs. Larsen, Msgr. McDonald, Dr. Kaminsky, Mr. Trabold, Mr. Downey, Fr. Daly.

Dave Wenrick brushes off another would be tackler on his way to the end-zone.

Beginning the season with one of the best potential lineups in school history, which included nine lettermen, the 1965 football squad measured up to all of its expectations.

Scoring an average of 21 points per game, and holding all city opposition to under 2 points per game average, the Ramblers again emerged City Champions. This year's fine record of 6-2 was a glowing tribute to Mr. Thomas Duff, head coach, and his assistants, Mr. Anthony Zambroski and Mr. Ronald Costello.

The team began the season on a sorrowful note, losing to powerful downstate Butler, 28-25. The following week, however, behind the strong running of James Fries and David Tomczak, the Ramblers rolled over McDowell, 25-7.

The following week, they defeated Academy, 35-6, the only city team to score on them this year. Prep then defeated East in a lopsided statistical contest in Prep's favor by only a 7-0 verdict.

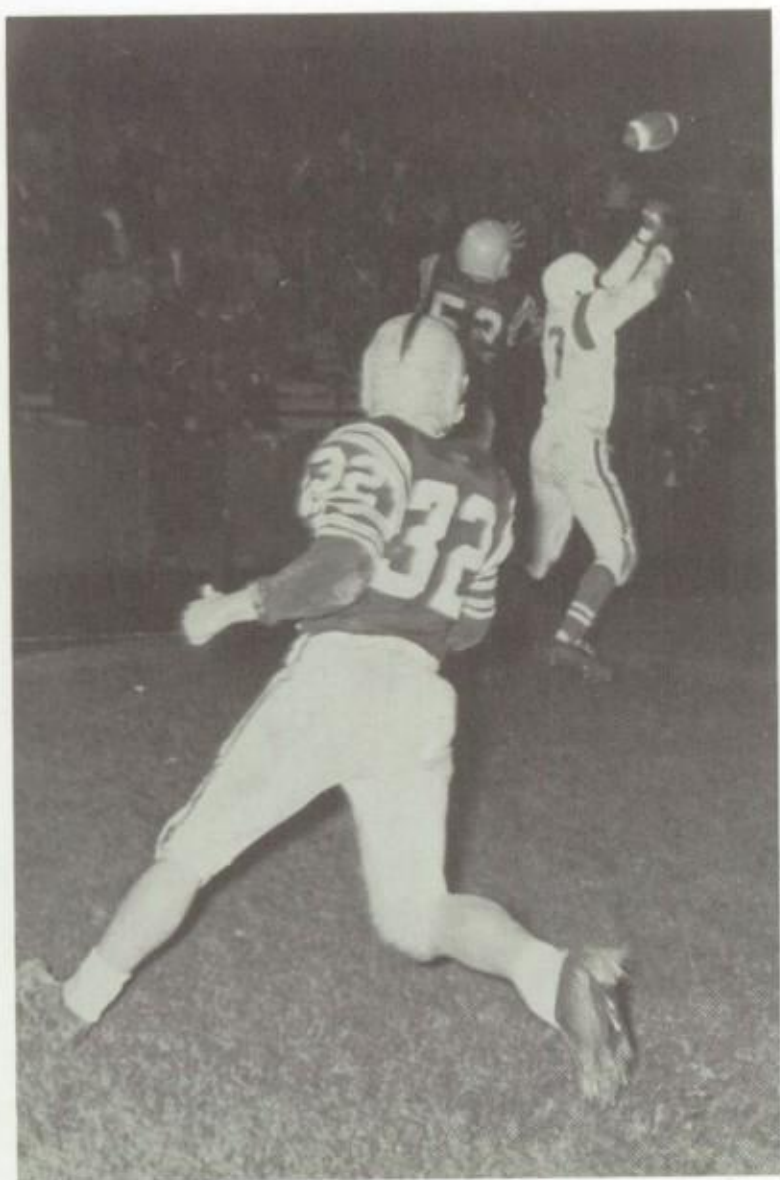

Decisive victories over Rochester Aquinas and Tech followed. Then against Steubenville, with both first string halfbacks, Fries and Fred Hanhauser, injured, the Ramblers were edged after a fine second half comeback. They closed their season with an impressive 27-0 victory over Strong Vincent for the City Championship.

Once again Prep received notable recognition as five players made the all-city squad. The honored were: James Fries, Daniel Haley, James Petrucelli, David Wenrick, and Michael McCoy. Second team honors went to Robert Mikolajczyk and Gary Kolarik. Returning next year will be six lettermen, including All-City tackle McCoy.

## J.V. FOOTBALL

Compiling a 6-0 record under the direction of head coach Mr. Leonard Cyterski and assistant coach Mr. David Thomas, the Little Ramblers captured another City Series Championship. It was the eighth consecutive J.V. championship, and extended the City Series winning streak to 29 games.

Coaches Cyterski and Thomas again proved the value of drill and determination. Beginning summer training with only a handful of seasoned performers, they effectively molded a team well schooled in fundamentals.

Robert Shreve, Thomas Wenrick, Mark Kirkland, and freshman Thomas Wisinski were the main ball-carriers and scorers of the Little Ramblers. They led the explosive offense which outscored their opposition 100-14.

Doing an exceptional job on the line were Kevin Sullivan, Charles Mueser, Donald Belton, and William Goehring. Returning lettermen for next year are Jerome Mifsud, Tom Wisinski, and George Blakeslee.

Mike Biondi rounds end in search of valuable yardage.

# CROSS COUNTRY

Completing its season with a 10-2 record, the cross country team placed second in the city. The team won all of its independent encounters, and finished in a tie for third place in the Gannon College Invitational Cross Country Meet.

Leading the team throughout the season were Thomas Doyle and John McLaughlin. They will graduate this year, as will three-year letterman Don Olowinski and five other letter winners.

These five are Ronald Sertz, Thomas Conway, Philip Friedrich, Gregory Leopold, and Thomas Jargiello. Mark Rowland is the only returning letterman to next year's squad. However, with hard work and the coaching of Fr. John Poux, Robert Laird, Ray Davis, and Nicholas Petroff offer hope for next year.

# WATER POLO

Mike Flanagan and Jerry Craft set it up against Vincent.

Chris Mack demonstrates his All-City talents as he blocks a shot against East.

With a final record of seven wins and one loss, the water polo team, under head coach Fr. Andrew Pawlaczyk, won the City Championship for the first time since 1959. The only loss was to Vincent, 4-3 in double overtime.

The team was led by three All-City players: Forward Peter Smith; guard John Sparaga; and goalie, Randy Lachowski. James Sparaga, Michael Flanagan, and Christopher Mack were selected for second team All-Scholastic. With six of seven starters on the All-City team, this year's squad had to be one of the best in school history.

Returning for next year will be lettermen Jerome Craft, James Gannon, Edward Zimm, and Michael Weber. With these four lettermen, and a good nucleus of underclassmen, the outlook for next year is bright indeed.

# BASKETBALL

Dave Lichtinger hits his favorite shot, a jumper from the corner.

Defeating Tech 61-34, the Ramblers won their second consecutive City Championship, and their third in the last four years. It was the second year in a row that Prep, under the guidance of Mr. Richard Murray, won the championship by means of a playoff.

The efforts of numerous individuals stood out. John Stano was high scorer, with 350 points, and high rebounder, with an average of twelve per game. Co-captain Dave Wenrick, despite averaging only eight points a game, led the team to victory after victory with his fine backcourt play.

This year's squad was characterized by the fact that ten seniors comprised the first two strings. Besides Stano and Wenrick, other outstanding performers were: John Meister, Fred Hanhauser, Charles Shreve, Tim Maloney, Dave Lichtinger, Jim Olszewski, Ron Hornyak, and Dennis Cerami.

In view of the fact that there were no junior lettermen, next season will find a completely new squad representing Prep. Counted on heavily will be James Flanagan, Donald Felix, Daniel Pakela, Mark Behan, and James Murray, as well as many juniors from the junior varsity.

Chuck Shreve anxiously waits for the ball to come down.

## J. V. BASKETBALL

Rick Fessler is all by himself after a well-executed fast break.

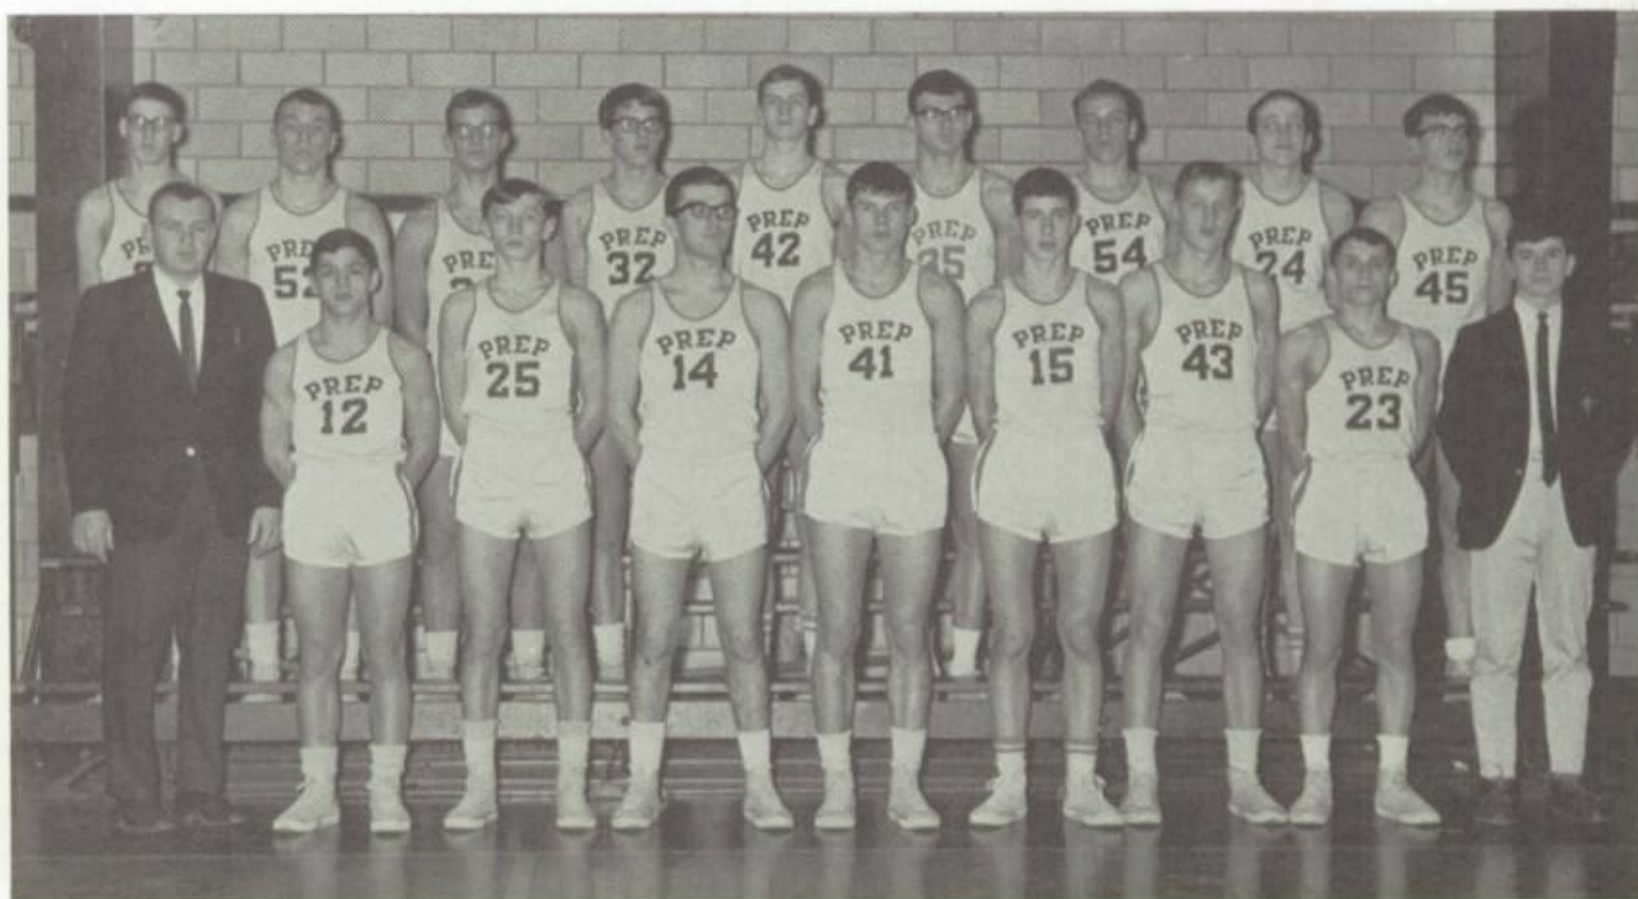

Once again winning the City Championship, the Junior Varsity basketball squad, under the capable coaching of Mr. David Thomas, continued its history of supplying fine players for future Prep varsity teams.

The highlight of the season was defeating Tech in the final game, to win the championship. The overall record of this year's team was an outstanding 16-4.

Outstanding players were Ray Davis, Thomas Wenrick, Donald Belton, Tim Finegan, and Donald Gunther.

# SWIMMING

Prep swimmers, under the direction of Fr. Andrew Pawlaczyk, finished in a tie for second place in the City Series. The city record was 5-3, and the overall record was 8-5.

Senior Peter Smith rewrote the school record books, as he broke several school standards. He also posted a new city record in the 160 yard individual medley.

The squad placed third in the Colgate National Prep Swim Meet, with Smith winning twice, the 100 yard backstroke and the 50 yard freestyle. Seniors John Sparaga and Michael Flanagan placed second in the breaststroke and individual medley respectively. Other swimmers of noteworthy comment were James Sparaga, Michael Weber, and James Gannon.

## J. V. SWIMMING

The junior varsity swimming squad, under the direction of Frs. Andrew Pawlaczyk and Charles Skinner, once again completed another profitable year of training.

The main purpose of this team is laying a good foundation for the younger swimmers in the fundamentals and fine points of the sport. The highlight of the season is the Freshman-Sophomore meet in April. The experience learned from this meet and a limited amount of outside competition serve as a definite asset for future varsity teams.

# TENNIS

Winning the City Championship for the second consecutive year, the Tennis squad contributed the final five points toward the City Trophy of Trophies. These five points were the deciding margin for this trophy.

Led by seniors William Druckemiller, Thomas Pacansky, David Rudy, and Richard Heibel, the team went undefeated in city competition. The outstanding work of Fr. Edward Bula and Fr. Henry Krebs attributed greatly to the team's success.

# TRACK

Jim Fries flies high in the broad jump

Tim Doyle flings the javelin, his specialty in the field events.

Cathedral Prep's 1964 track team finished the season with two wins and five losses. They defeated Vincent in a City Meet and placed fifth in the overall meet for a fourth place final finish.

The running was paced by Donald Gehrlein, Martin Crowe, Ronald Konieczki, and Richard Griffith. Helping out were juniors Thomas Doyle, John DiBacco, Dane Lupo, and Don Olowinski.

Leading the field events were Ronald Jones, James Olszewski, James Fries, Michael McCoy, and James Petrucelli.

Returning to next year's squad, which should finish high in the City Standings are lettermen Fries, Olszewski, McCoy, Petrucelli, Doyle, Lupo, DiBacco, and Donald Feeney. With this fine squad the Ramblers should capture their first City Championship in many a year.

Pete Tabolt clears the height in quest of another victory.

The wrestling team won its first City Championship in five years. Coached by Mr. Anthony Zambroski and Fr. Henry Krebs, the team compiled an outstanding 7-1 city record. Individual city champions were Pat DiVecchio, Dennis DiLoreto, Dale Rosenquest, Gary Kolarik, and Michael McCoy.

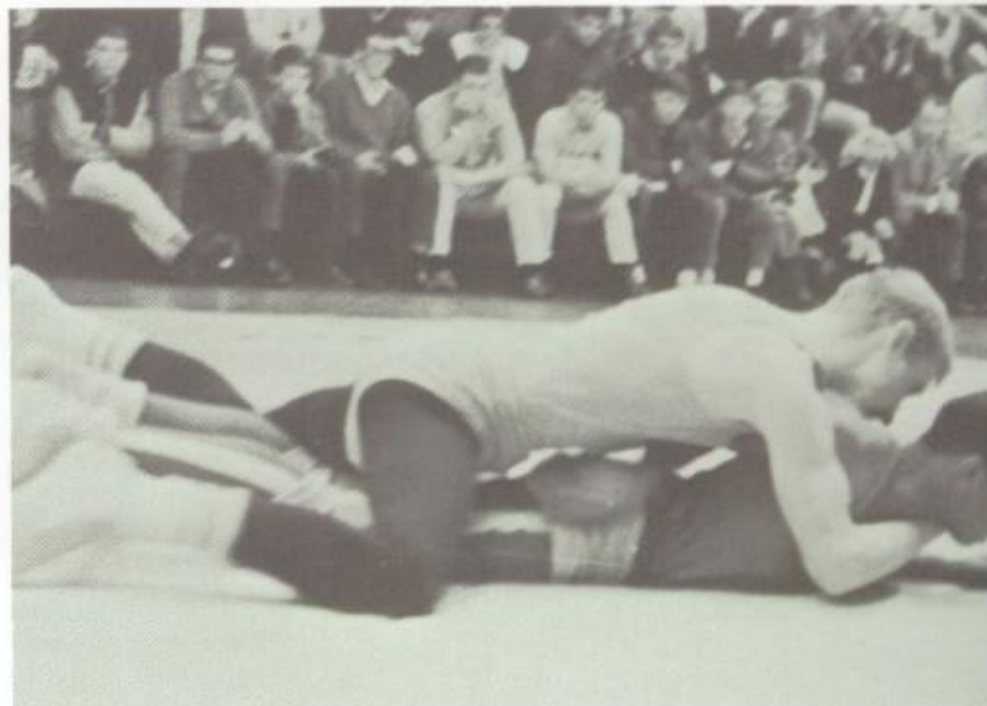

In the PCIAA State Tournament, the Ramblers took second place, while placing six men in the final matches. Individual state champions were DiVecchio, DiLoreto, and Rosenquest.

Undefeated throughout this banner year were DiVecchio and Rosenquest. McCoy and DiLoreto were defeated only once, McCoy in the state finals.

Returning next year will be city champs DiVecchio and McCoy, a good nucleus for another championship season.

Denny DiLoreto has his man all tied up.

John Marthaler gains valuable riding time over his hapless opponent.

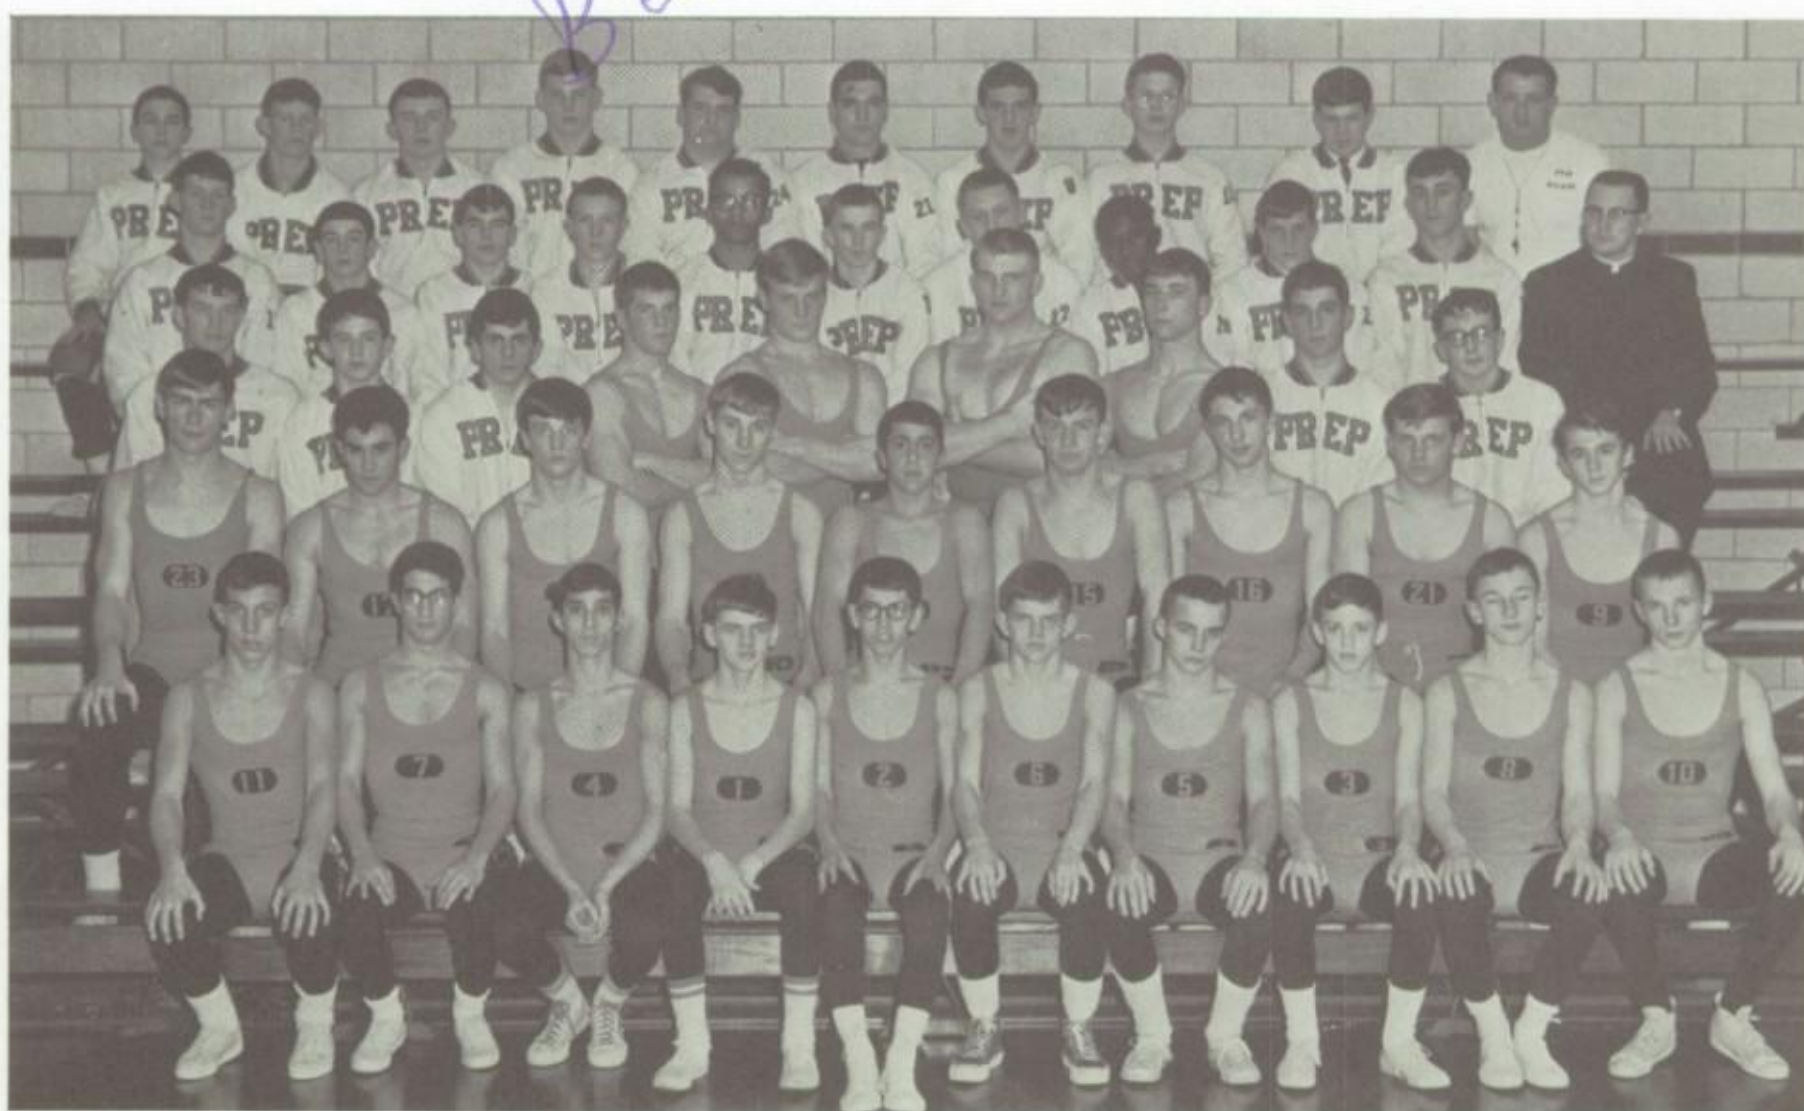

Gary Kolarik maneuvers for position, while remaining on top.

It looks like another pin for Bill Pikiewicz.

# GOLF

With a record of six wins, five losses, and one tie, the golf team captured second place in the City Series race.

Led by senior Ed Bricker, and juniors John McLaughlin and Dennis Dwyer, the Ramblers added an important three points to the Trophy of Trophies race.

Lettermen included Bricker, McLaughlin, Dwyer, David Weber, and David Krauza. The latter two being only sophomores, the road ahead is very promising for the recapture of the city crown.

All-city honors were given to Bricker, second team, and John McLaughlin, honorable mention.

Denny Dwyer prepares for another long drive as Jack McLaughlin, Dave Krauza, Dave Langowski, and Dave Weber look on.

Jack McLaughlin fires a long approach shot to the green.

First Row: D. Krauza, J. Gehrlein, D. Dwyer, E. Bricker, Father John Poux, coach. Second Row: D. Langowski, G. Kirschner, D. Weber, J. McLaughlin.

# BASEBALL

Jim Fries steadies himself for a high flyball.

The 1964 baseball team concluded its season with a fine 15-7 record. A league record of 8-4 was good for second place in the City Series. With a win over East in the Darby Mannix Playoffs, the team finished second in the event, their only loss being a 1-0, 10 inning defeat by Vincent.

Taking their last swings were Steve Benson, Fred Engle, Robert Alex, William Gathers, Edward Brzezinski, John Hoetzel, Phillip Hoydic, Patrick Lupo, John Vorshek, and Dennis McGraw. Returning this year are five lettermen, including 1964 batting champ David Farrell.

These lettermen are Farrell, Ronald Hornyak, Fred Hanhauser, James Fries, and Charles Shreve. They will be backed by a group of seasoned underclassmen including Gary Lillis, Dennis Bailey, Robert Shreve, and Richard Stablein.

With this group of talented ball players the outcome of the 1965 season should most certainly be good.

Charlie Shreve fires a fastball by an unexpected batter.

# SERVICES

## OFFICE STAFF

The extremely capable office staff takes care of numerable tasks, in addition to keeping the attendance sheets, report cards, and making and sending out transcripts. Besides handling office work, they also are cashiers at the two lunch periods, as well as handling the financial accountings of the school.

Surely this staff is to be congratulated on their efficiency and effectiveness.

Miss Joan Akus prepares the long anticipated report cards.

Mrs. Mary Hunt attends to the financial matters of the school.

Miss Nancy Wilczynski works diligently at the adding machine.

## MEDICAL STAFF

Mrs. Siragusa cheerfully begins her tasks.

Tom Wenrick weighs in.

Is he dead?

## CAFETERIA SERVICE

The task of preparing a hardy and filling meal for 1300 boys is capably fulfilled by the cafeteria staff. It is quite a challenge to satisfy the large appetites of that many young men.

Their imaginative menus reflect the care with which they prepare the daily lunches. These "school day mothers" should be commended for their efficient service.

The cafeteria staff find time to pose for a picture.

Mrs. Mary Belton and Mrs. Theresa Kretz work at a daily lunch period.

Mrs. Wanda Brzenski, Mrs. Helen Walkiewicz, and Mrs. Clare Rehberg cook a delicious meal.

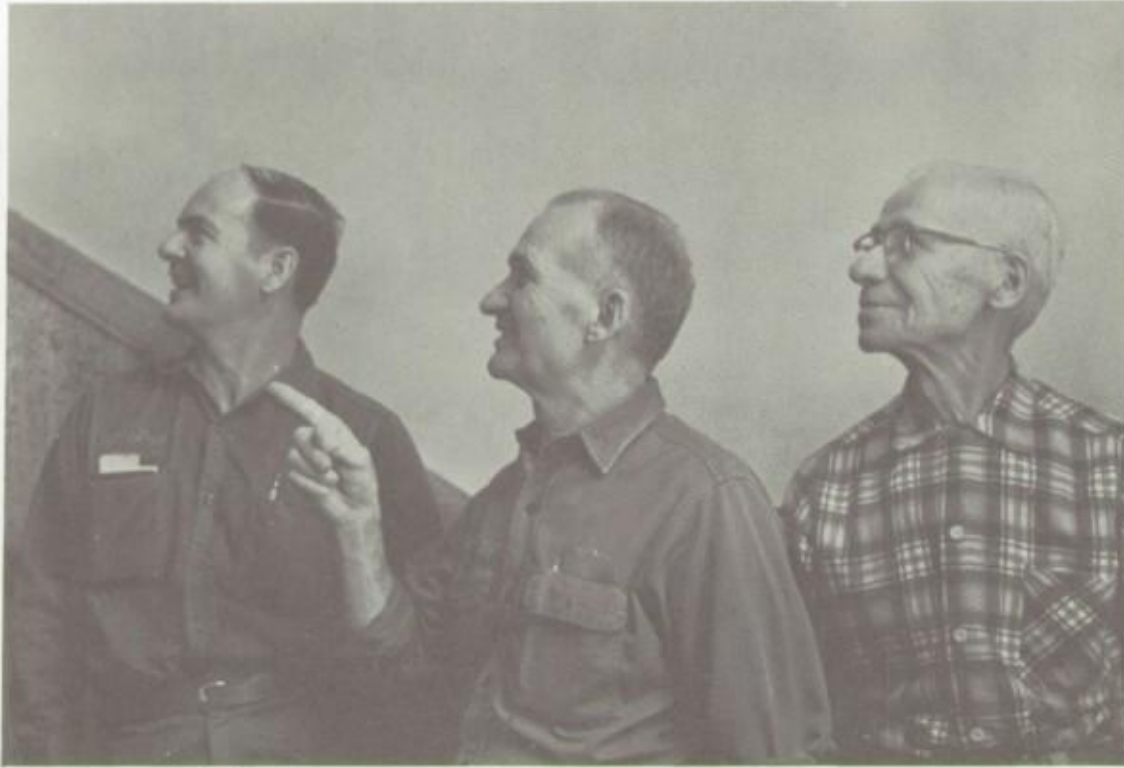

A dedicated group, no doubt!

Mrs. Agnes Doyle happily goes about her work.

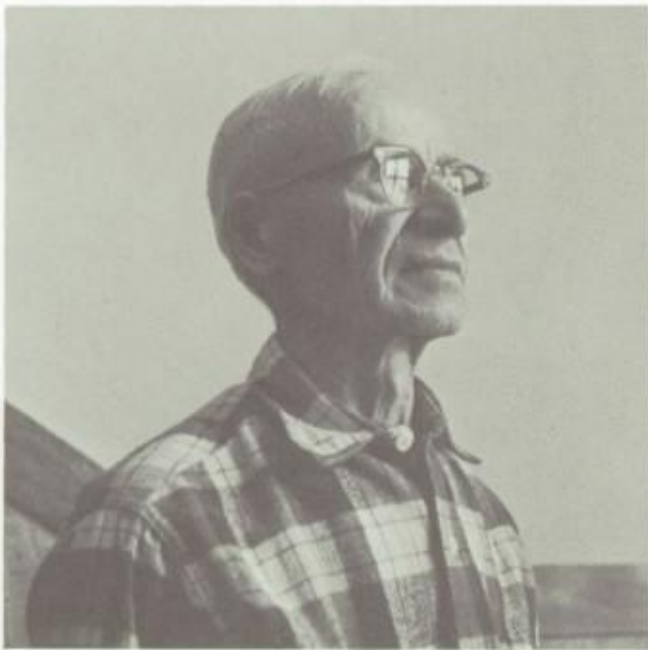

# CUSTODIAL SERVICE

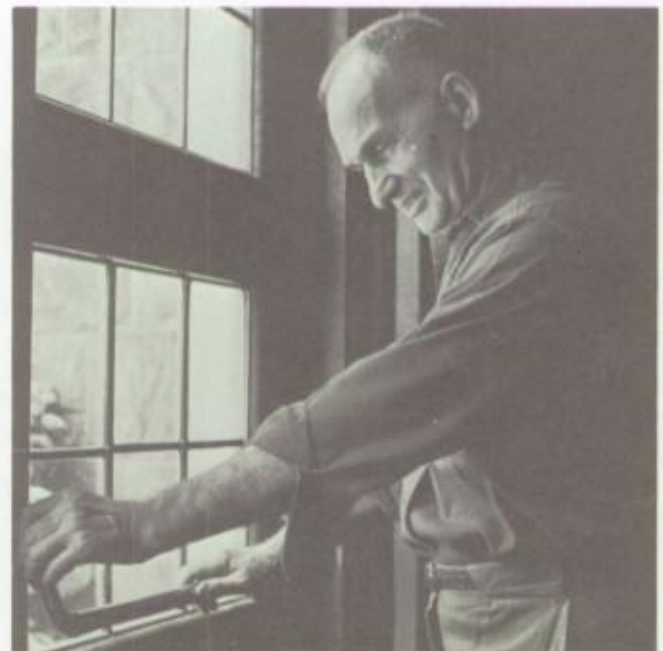

A lighter moment in the everyday hustle-bustle.

Another job that continues throughout every school day and on Saturday is that of the custodial staff. Basically the work is done after 3:20, yet there are numerous tasks at all times of the day.

The members of the staff and, of course, their student helpers, prepare the school for each day of classes. By their conscientious efforts the school is maintained in excellent condition.

Mr. Frank Miczo proceeds to Room 19.

Mr. Joseph Agnello begins to fix a window.

Mr. Norman Lizotte carries out one of his daily chores.
